

Multiple Intelligences Analysis

A) After completing the M.I. quiz, add up your scores and complete graph on the back side. Be sure to create straight lines (bars) and use different colors/patterns for each different bar.

B) Based on the graph you created, identify your top two “Intelligences” and record them below:

First: _____

Second: _____

Based on the names of your top two (before investigating), do you agree or disagree with the selections? _____

C) Locate the information about your “First” intelligence and read the entire page before answering any of the questions below. You can find a digital copy in the class website or access a hard copy from the files in front of the class.

D) Based on what you read and your personal experience, answer the following questions in **complete sentences** below.

1. Were you surprised by your top “Intelligence?” Why or why not? _____, because _____

2. What skills from this “intelligence” do you know you have? Explain.

3. What kind of activities do you like to do that match these skills? Be specific and think of at least 3. _____

4. What careers from this “Intelligence” are ones that you might consider or would like to do in the future? _____

E) Locate information about your SECOND top “Intelligence.” Read the entire paper and based on what you read, answer the following questions in **complete sentences** below:

1. What skills from this “Intelligence” do you know you have? Explain.

2. What kind of activities do you like to do that match these skills? Be specific and think of at least 3. _____

3. What careers from this “Intelligence” are ones that you might consider or would like to do in the future? _____
