

# Agenda for CSI WEB ADVENTURES activity - 50 points

Website: <http://forensics.rice.edu/>

## Thursday: Case 1: Rookie Training

1. Go to the website provided at the top of your worksheet
2. Select Case 1: Rookie Training
3. Create a login and password - record it in your agenda. This helps saving progress.
4. Write the DUE DATE for the CSI Web Adventures Packet in your agenda.  
\*\*\*DUE WEDNESDAY, OCTOBER 17<sup>th</sup> for full credit\*\*\*

TIPS for success: You have to complete each request for the section before moving on. Please read the entire page and identify each request. The questions on the worksheet should guide you in the right direction. No specific order of completion is required but you must complete each of the training stations (for Rookie Training).

## Friday: Case 2: Canine Capers

1. Use your login and password to save your work
2. Use your skills from the Rookie Training to solve the crime.  
- If finished early, move on to the Rookie Training Report

## Monday: Write the Rookie Training Report on the paper provided

1. Use the directions/guidelines provided in the packet to write about your experience, favorite parts, what you learned, etc...
2. Your report should be written at grade level and in your best handwriting. Proper grammar and spelling is required for full credit. Sloppy, incomplete, or difficult to read work will lose significant points.

- If finished early, complete  Case 3 (Extra Credit)

This will be the last day to work on this activity in class. The finished packet is DUE on Wednesday, October 17<sup>th</sup>
