## Presentation Scoring Rubric

Student Presentation Rubric			
Presenters Name: _____		Score: _____ / 15	
	1 point	2points	3 points
<b>Eye Contact with the audience</b>	Barely looked up and read each slide word for word.	Mostly reading but looked up here and there.	Looked at the audience while speaking, Very little reading from screen.
<b>Volume/Voice Projection</b>	Very hard to hear, presenter spoke quietly	Could hear, but projected voice away from audience.	Good volume <u>and</u> projected voice to the audience.
<b>Pace of Speaking (Speed)</b>	Rushed too fast to understand the information.	Spoke at a good pace but had moments of silence or pauses.	Nice pace, presented information so others could easily understand.
<b>Overall information/ Performance <b>X2</b></b>	Was difficult to make sense of the info. Not prepared.	Did a good job overall and showed they understood the info and were prepared.	Knocked it out, everything went smooth and the audience learned something new. Well prepared!!
